The screenshot shows the GoPlanner website interface. At the top, there's a navigation bar with 'HOME', 'ATTRACTIONS', and 'MY PLANS'. A user is logged in as 'Welcome, 1111' with a 'LOGOUT' button. The main content area features a large background image of the Sydney Opera House. Overlaid on this is a white form with three tabs: 'Details' (selected), 'Group', and 'Choice'. The 'Details' tab contains fields for 'Destination' (with a placeholder 'Enter your destination'), 'To Destination' (a dropdown menu), 'Departure Date' (with a date picker), and 'Return Date' (with a date picker). There are 'Next' and 'Clear' buttons for each date field, and a larger 'Next' button at the bottom of the form.

This screenshot shows the 'Group' tab of the travel planning form. It has three tabs: 'Details', 'Group' (selected), and 'Choice'. The 'Group' tab contains two dropdown menus: 'Adults' (with a placeholder 'Select adults') and 'Children' (with a placeholder 'Select children'). Below these is a checkbox labeled 'Anyone elderly in your group?'. A large blue 'Next' button is at the bottom.

- Add **Preference** or **Personal Notes**

This screenshot shows the 'Choice' tab of the travel planning form. It has three tabs: 'Details', 'Group', and 'Choice' (selected). The 'Choice' tab contains a 'Budget Type' section with three buttons: 'Economy', 'Comfortable', and 'Luxury'. Below this is a 'Total Cost' dropdown menu (placeholder 'Select budget range') and a 'Food Preference' dropdown menu (placeholder 'Select food preference'). There is also a 'Special Notes' text area with a placeholder 'Dietary restrictions, accessibility needs, special requests...'. At the bottom, there is a character count '0/200 Characters' and a large blue 'Start Planning' button.

6. Itinerary Timetable

1. After you complete the form, it generates a shortcut of your plan details.
